Thanks

**Subject:** Aquifer Exemptions Letter

Peter, attached you will find a letter from Leslie Savage that summarizes the positive work accomplished to date by the Aquifer Exemption Workgroup and also poses several items still needing resolution.

We will have an opportunity to discuss it in Austin next week I'm sure.

On another note, I spoke with Lori Wrotenbery earlier today about having a meeting on Class II – Class VI UIC conversions, with you, Ron or Holly if you'd like, and Leslie Savage and me. The best time for Lori to meet would be Tuesday noon, which could include lunch in her office or across the street. What is your availability? A second option might be Tuesday evening.
